PULLUX SHOWS USEFUL SPEED AND WITH-STANDS OTHELLO'S CHALLENGE WELL.

Bayberry Candle First All the Way in the Handicap-Dune Site Wins Again and Is Bought

for Export to Chile.

New York, July 30.—Pullux, John Whalen's three-year-old Astronomer—Helen O'C, gelding, demonstrated today that he has come back to the races this season a shifty sort, when he won the second race in an impressive manner from some useful sprinters. Pullux was always a forward contender and, racing into the lead on the stretch turn, drew away without much effort at the end. J. McTaggart had to shake him up to withstand the rush of Othello, but he lasted it out gamely.

Bayberry Candle, the well-backed choice, won the fourth race, a handicap at one mile and a sixteenth, in easy fashion. She went into the lead with the rise of the barrier and held sway throughout, to win easing up in fast time.

Dune Site won the first race over the heavily-backed Recluse after a stirring stretch drive, in which Butwell outrode Gordon in the final strides, Valentine was the medium of a heavy plunge in the fifth, but after leading to the stretch turn, commenced to tire badly and was passed in the final eighth by Sam Slick, which had closed up ground steadily throughout. When Valentine commenced to tire she bored over against Rusila, interfering with that horse's chances, also those of Sandow, for which she was disqualified and second place was awarded to Menlo Park, with Sandow third. C. Burlingame, who rode Valentine, was fined \$20 and suspended for the one remaining day of the meeting.

race with St. Isidore, which raced to an easy victory.

W. C. Ely and Jerry Moore were arrivals today from Louisville and will remain for the rest of the eastern racing season.

A run-up followed the running of the first race when R. F. Carman's Dunc Site, the winner, was boosted from \$1,000 to \$1,800 and sold to J. M. Cartajana, of Santiago, Chile. The latter gentleman recently purchased the stallion Burgomaster from H. P. Whitney and will ship that horse and Dune Site to Chile within the next week. After Dune Site was sold Mr. Carman claimed Recluse, Whitch finished second, for \$1,320 from Sandy Mc-Naughton.

## GENERAL NEWS NOTES OF THE DAY.

The list of the Eastland's dead, as corrected up to esterday forenoon, was a total of 1,077. Seven more odies were discovered in the first cabin of the yesterday forenoon, was a total of 1,077. Seven more bodies were discovered in the first cabin of the Eastland yesterday morning by diver Harry Halverson, but he was able to bring only one to the surface. The other six were in sight, but were pinned down by debris so that it will take some time to release them. The list of missing varies. The Western Electric Company's missing list, including employes, their relatives and friends, totals 236. Lists compiled from inquiries by individuals for persons believed to have been on the Eastland show a number of 282, making the total number of reported missing 518. Many of the reports of missing, however, are duplicates, but records of the number of survivors and the number of dead, deducted from the passenger list as checked in by the federal inspectors, show that over 400 persons are unaccounted for. These bodies are believed to be in the river. The recovery of a body at Western avenue, five miles from the scene of the disaster, indicates that the bodies have drifted far in the river, and some of them may never be recovered. The total list of dead will exceed the 1,200 mark.

Says a dispatch from London of yesterday: "Warstaw, the third city of Russia and the goal for which the German armies in the east have been striving since October, is at least in the threes of abandonment. Germans in overwhelming numbers are at the gates of the Polish capital and dispatches both from the city itself and from Petrograd say that further resistance would be unwise. Discounted not only through France and Great Britain, but in Russia itself, the fall of the city is expected hourly, and the problem now is to move the Russian armies intact, threatened as they are from the south by the Austro-Germans, and, more seriously from the north, where the German forces which have swept through Poland are aiming at the railway from Warsaw to Petrograd. This latter menace, the British press admits, is imminent, and the hope in the allied countries now is not for the safety of Warsaw, but The Warsaw postoffice already has been shifted to some point to the eastward, the populace has been warned to remain calm and presumably for days Russian troops have been stripping the city of everything of military value."

der the direction of officers of the boat Favorite. Two big pontoons, each with a lifting capacity of 500 tons, were brought to the scene and one was to be placed at each end of the sunken vessel. They will be shifted under the ends of the Eastland. The hoisting derricks of the Favorite, attached to huge steel cables run under and through the hold of the vessel, will then be set in motion and at the same time compressed air pumps will begin the work of forcing the water out of the pontoons and the Eastland. "I expect to complete the task in about two weeks," said Capt, Alexander Cummings of the Favorite has a lifting capacity of 2,340 tons. Each of the pontoons has a lifting capacity of 500 tons. With this power we will raise the Eastland. When she reaches an angle of 45 degrees, the point of equilibrium, she will right herself. While more than 200 men were working on the raising of the Eastland, forty motor boats continued the patrol of the river in the search for bodies of the dead.

Charles Becker was put to death in the electric châir at Sing Sing prison, N. Y., yesterday morning for the killing of Herman Rosenthal, the New York gambler. The former New York police lieutenant retained his composure and protested his innocence to the last. He went to his death with a photograph of his wife pinned on his shirt over his heart. Three shocks were given before the prison physicians pronounced Becker dead at 5:55 o'clock, Becker led the way to his own execution. The condenned man sat up all night on the edge of his cot, calmly talking to Deputy Warden Charles H. Johnson, "I have got to face it," said Becker. "And I am going to meet it quietly and without trouble to anyone." The deputy warden left Becker about an hour before the time set for the execution and when Father W. E. Cashin, the prison priest, and Father Curry of New York came to administer the last rites they found the man who instigated Herman Rosenthal's murder with his face resting on his hands gazing at the prison floor. The priests remained with him to the end.

By word from Attorney General Gregory that the national administration desires to fix full responsibility for the Eastland disaster, especially if it hits at places high or low in the government's service. District Attorney Charles F. Clyne yesterday started the wheels of the federal grand jury quiz. Besides calling first witnesses, Mr. Clyne seized the hull of the Eastland, to be used as an exhibit in the grand jury inquiry and in any trials that may follow it. Mr. Clyne went before Judge Landis and obtained a court order for the seizure of the big overturned vessel. The writ was given to United States Marshal Bradley, who dispatched three deputies took possession in the name of the United States court, but allowed the work of raising the death ship to proceed.

Concerning military operations in the lower reaches of the Euphrates, a London dispatch of Thursday night said: "An official communication made public here this evening says that as a result of an action by General Sir John Nixon's forces on July 24 near Nasiriyeh (Asiatic Turkey) the disorganized Turkish forces retreated northward more than twenty-five miles. The Turkish casualties in killed, wounded or prisoners amounted approximately to 2.500 men, the prisoners including forty-one officers and 630 men, of whom 200 were wounded. A great many guns were also captured. British casualties number 564 men, most of whom were wounded. The departure of the sick and wounded from Nasiriyeh has commenced."

## CURRENT NOTES OF THE TURF.

Lord Wolverton's Passport won the Wi Stakes at Newmarket in England, Wednesday, Vizier ran second and Sunfire third.

There were several arrivals of thoroughbreds at Fort Erie Friday and more are expected today. The Hamilton meeting will come to a close today and the shipment of horses from there to Fort Erie will start, at once.

There was strong support at Aqueduct Wednesday for Silver Thread, which though a three-year-old, was making her first start. She failed to run up fo the fast trial she had shown trainer Odom and finished seventh.

William A. Pinkerton, head of the detective agency which bears his name, will spend the month of August at Saratoga. Mr. Pinkerton has not been a frequent visitor to the New York races this season but plans to become a regular at the Spa.

Sir Vivian, John E. Madden's brother to Sir Martin, which finished second to St. Isidore at Aqueduct on Tuesday, bears a strong resemblance to his illustrious relative. Sir Vivian also displays the rather sluggish but game style of running of the famous Sir Martin.

John E. Madden's chestnut colt Sir Vivian, by Ogden—Lady Sterling, which ran second at Aqueduct Tuesday, is a brother to Sir Martin, which Mr. Madden sold to Louis Winans, and which started favorite for the Epsom Derby of 1900, in which he was knocked down. He is supposed to be a good one.

The excessively speedy but erratic two-year-old colt Marcus, by Cicero.—St. Sava, won the New Coventry Stakes at Newmarket, England, last Thursday. Figaro ran second and Crimper third. The race was the war substitute for Ascot's rich Coventry Stakes, one of the most coveted of English stake races for two-year-olds.

There was a further inquiry into the Heffner case at Aqueduct Wednesday, or that of his jockey, G. Byrne. Before the fourth race the stewards had Byrne's wife in the stand. She is a daughter of W. H. Karrick, who trains Yankee Notions, which won the race at Jamaica for which Byrne was reprimanded for pulling up Blue Thistle.

was reprimanded for pulling up Blue Thistle.

A Paris correspondent writes to a London paper:
"A visit to Chantilly, where training has long since been actively resumed, and a subsequent examination of affairs at Maisons-Laffitte, prove that there are now in the bands of their trainers 414 three-year-olds, the majority of which have never been seen in public through the outbreak of the war at the very commencement of the period when they were qualified to race as two-year-olds. Strange to say, the heath-keepers announce a similar number of two-year-olds qualified to race in public since the last Monday in June.

The entire Japanese cabinet resigned yesterday as a result of the election bribery scandal. Count Okuma, the permier, presented his own resignation and that of his colleagues to Emperor Yoshihito. The emperor did not accept the resignations immediately, but called a conference of the elder statesmen, at which the government policy will be determined. This will be held today. The fall of the cabinet caused no surprise as it had been expected since Minister of the Interior Oura resigned. This official is accussed of having been the payer of the bribes which were expended at the last election.

### RAIN AGAIN AT HAMILTON

CARBIDE GIVES A REMARKABLE DISPLAY OF SPEED IN THE NIAGARA HANDICAP.

Joe Gaiety Has an Easy Task in the Steeplechase -Taka Inflicts a Surprise-Change in Connaught Park Management Reported.

Hamilton, Ont., July 30.—J. S. Tyree's Carbide accounted for the Niagara Handicap, the feature race of the card offered by the Hamilton Jockey Club this afternoon. He was ridden by F. Cooper, set a great pace from the start and beat The Widow Moon three lengths at the finish. The track was heavy, but despite this Carbide showed a high flight of speed, going the first quarter in 23% and the half mile in 47%.

Joe Gaiety proved an easy winner in the maiden steeplechase. Like Carbide, he went to the front when at the start and was never headed. F. A. Stone made a threatening challenge when going to the seventh fence, but could not get up and at the last jump he stumbled and dropped out of contention, Jim O. beating him for second place by a half dozen lengths.

Heavy rains this morning ruined whatever chance there was for a fast track during the remainder of the meeting. It was an ideal day for the multunners, and horses that run best in that sort of going had a big advantage.

The Whitney filly Taka proved a surprise in the second, in which she beat the odds-on favorite, Bernice, in easy fashion.

After Will Cash was beaten in the sixth race yesterday, three claims were put in for the colt and in the draw C. E. Delines secured him for the halter men in Canada. Two of the best two-

After Will Cash was beaten in the sixth race yesterday, three claims were put in for the colt and in the draw C. E. Delines secured him for \$775.

A. G. Blakeley has certainly been a target for the halter men in Canada. Two of the best two-year-olds in his stable have been claimed from him in Bernice and Will Cash. This is probably responsible for his determination to ship to Saratoga, L8s horses will leave here in the same car as will A. G. Weston's string tomorrow morning.

Tom Flanagan, one of the prime movers in the sportsman benefit, collected over \$800 on the race special train that came from Toronto to Hamilton this afternoon, This amount will be added to the fund that is heing collected to purchase machine guns for the allies. Sam Leonard started the subscription with a donation of \$100.

Lewis Garth received word from New York that his father. William Garth, and W. L. Maupin of Virginia would be at Fort Erie on the opening day of that meeting and would remain in Canada for several days.

News reached here today of a change in the management of the Connaught Park Jockey Club. The resignation tendered by Albert Rohrback, as manager of the club, was accepted by the directors several days ago. There has been considerable friction in the Connaught Park Jockey Club eversince the inaugural meeting and, for the the good of the sport, it is hoped that the factions will now get together and that harmony will prevail in the future.

The first departure from here for Saratoga came this morning when the R. B. Stelle stable, in charge of Charles J. Casey, left for the Spa. Frank E. Brown's old cannaligner, Donald Macdonald, left in the same car. Several other owners are planning to leave for Saratoga within the next few days.

The stewards of the Canadian Racing Associations will hold a meeting at Fort Erie next Wednesday night, when several cases passed over from the last meeting will be taken up for final action.

## GREAT TRAINER QUITS HIS VOCATION.

No trainer in England stands higher in his profession or has achieved a greater measure of success than Charles Morton, concerning whom London Sporting Life of July 14 said: "Charles Morton will retire from training at the end of the present month. A rumor to this effect was in circulation last year, when the Wantage trainer did contemplate retirement, but was persuaded by Mr. J. B. Joel to keep on for another season. Now he views the present period as the best time to give up his activities, for he has had a strenuous and most successful innings. No trainer of any time has gained greater distinction in his profession. Though still of dapper and youthful appearance, Charles Morton has exceeded three score years of age. Mr. J. B. Joel has not for the present made definite arrangements for the future, but for the being a few horses holding immediate engagements, such as Black Jester, Sunfire. Bright and several two year-olds, will join C. Peck's team at Sefton Lodge, Newmarket, where Mr. Sol Joel's horses are trained."

Went to post at 3:59. At post 3 minutes. Start good and slow. Won easily; second and third driving. BAYBERRY CANDLE set a fast pace all the way and won under restraint, TRANSIT shook off LAHORE in the homestretch and finished gamely. LAHORE moved up menacingly when entering the homestretch, but tired under punishment. HANOVIA was outpaced and appears to have trained off.
